To Whom It May Concern:

I can highly recommend Rental Guardian as our Travel Insurance provider. Midgett Realty is a Property Management Company on the Outer Banks of North Carolina, located on Hatteras Island and we manage about 550 homes.

Rental Guardian partnered with Midgett Realty during a particularly difficult time for us. We were notified of cancellation by our then current provider, and there appeared to be no other options for us to offer Trip Insurance to our guests. Rental Guardian took it upon themselves to find providers that not only wanted our business but to do it at a very competitive rate.

The claims processing has been handled in an efficient manner, if difficult cases arise, they will personally attend to the issue until it is resolved, walking the guest and if needed, our staff thru the entire process. Their staff is professional and courteous but most importantly effective.

Again, Midgett Realty, is glad to have Rental Guardian as our partner in Travel Protection. Please feel free to contact me with questions.

Best Regards,
